Breaking the Cycle. Transforming Lives.

Generations is One of a Kind

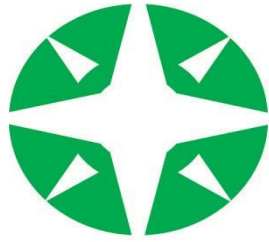

Generations is a nationally-accredited, non-profit organization that maintains a 98% success rate as we work toward our goal of “no more victims.”

The statistics can seem overwhelming

- *Almost 63,000 cases of child sexual abuse are reported annually. Sadly, the unreported instances are far greater;*
- *Sexual abuse is a cycle of epidemic proportions affecting 1 in 4 girls and 1 in 6 boys under the age of 18;*
- *Up to 40% of children sexually abused will go on to others if not identified and treatment received.*

Since 1991, we have provided the only programs of our kind in South Carolina. We continue to lead the way to end the sexual abuse cycle . . .
all while working toward our goal of transforming lives
