Breaking the Cycle. Transforming Lives.

Generations is One of a Kind

Generations is a nationally-accredited, non-profit organization that maintains a 98% success rate as we work toward our goal of “no more victims” of sexual abuse.

The statistics can seem overwhelming!

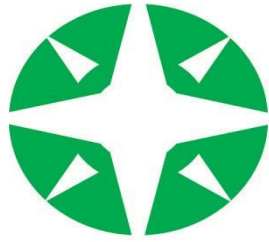

- *Almost 63,000 cases of sexual abuse are reported annually; sadly, the unreported instances are far greater.*
- *Sexual abuse is a cycle of epidemic proportions affecting 1 in 4 girls and 1 in 6 boys under the age of 18.*
- *Up to 40% of the children who are sexually abused will continue the cycle by abusing others if not identified and provided with effective treatment.*

Since 1991 Generations has served families throughout the state by providing *the only programs of our kind in South Carolina.*

We continue to lead the way toward ending the cycle of sexual abuse all while working toward our goal of

transforming lives.
